

## **ENROLMENT AND ORIENTATION POLICY**

---

### **Mandatory – Quality Area 6**

### **PURPOSE**

This policy outlines:

- the criteria for enrolment at Indra Pre-school
- the process to be followed when enrolling a child at Indra Pre-school
- the basis on which places within the programs will be allocated
- procedures for the orientation of new families and children into Indra Pre-school
- processes to ensure compliance with legislative and DET funding requirements in relation to the enrolment of children in early childhood education and care services.

### **POLICY STATEMENT**

#### **1. VALUES**

Indra Pre-school is committed to:

- equal access for all eligible children
- meeting the needs of the local community
- supporting families to meet the requirements for enrolment through the provision of information
- maintaining confidentiality in relation to all information provided for enrolment
- ensuring all families are welcomed and receive an effective orientation into the service.

#### **2. SCOPE**

This policy applies to the Approved Provider, Nominated Supervisor, early childhood teachers, educators, staff and parents/guardians who wish to enrol or have already enrolled their child at Indra Pre-school.

#### **3. BACKGROUND AND LEGISLATION**

##### **Background**

The *Education and Care Services National Regulations 2011* require approved services to have a policy and procedures in place in relation to enrolment and orientation (Regulation 168(2) (k)).

It is intended that all eligible children (refer to *Definitions*) will have access to one year of kindergarten before commencing school. However, a shortage of places in some areas can limit choices for parents/guardians. Where demand is higher than availability, Approved Provider's must adhere to their eligibility and priority of access criteria (refer to *Definitions* and *Attachment 1*) policy in order to allocate the available places. The criteria used to determine the allocation of places takes account of the requirements set out in *The Kindergarten Guide* (refer to *Sources*), the service's philosophy, values and beliefs, and the provisions of the *Equal Opportunity Act 2012*. The Victorian Government requires funded organisations to ensure that their policies and procedures promote equal opportunity for all children. Services participating in central enrolment schemes are required to comply with the enrolment procedures of that scheme.

Childcare services providing approved child care (refer to *Definitions*) must abide by the *Family Assistance Legislation Amendment (Jobs for families childcare package) Act 2017* (refer to *Legislation and standards*) and the Commonwealth Government's *Priority for allocating places in child care services* (refer to *Sources*).

Immunisations are an effective means of reducing the risk of vaccine preventable diseases. Early childhood education and care services which are regulated under the *Education and Care Services National Law Act 2010* have legislative responsibilities under the *Public Health and Wellbeing Act 2008* to only offer a confirmed place in their programs to children with acceptable immunisation documentation (refer to *Definitions*).

## Legislation and standards

Relevant legislation and standards include but are not limited to:

- *A New Tax System (Family Assistance) Act 1999*

- *National Quality Standard, Quality Area 6: Collaborative Partnerships with Families and Communities*

## 4. DEFINITIONS

The terms defined in this section relate specifically to this policy. For commonly used terms e.g. Approved Provider, Nominated Supervisor, Regulatory Authority etc. refer to the *General Definitions* section of this manual.

**Acceptable immunisation documentation:** documentation as defined by the *Immunisation Enrolment Toolkit for early childhood education and care services* as acceptable evidence that a child is fully vaccinated for their age, or is on a recognised catch-up schedule if their child has fallen behind their vaccinations; or has a medical reason not to be vaccinated; or has been assessed as being eligible for a 16 week grace period.

**Approved child care:** Approved child care services are services that have Australian Government approved to receive Child Care Subsidy (refer to *Definitions*) on behalf of eligible parents. Approved child care includes centre based day care, including long day care and occasional care, family day care, outside school hours care and in home care.

**Authorised nominee:** (In relation to this policy) is a person who has been given written authority by the parents/guardians of a child to collect that child from the education and care service. These details will be on the child's enrolment form.

The National Law and National Regulations do not specify a minimum age limit for an authorised nominee. Each service will need to consider a risk assessment on an individual basis to determine if a person under the age of 18 is able to be an authorised nominee and, if so, what constitutes the minimum acceptable age at that service.

**Child Care Subsidy (CCS):** A Commonwealth Government means tested subsidy to assist eligible families with the cost of child care. Payments are paid directly to approved child care providers. Further information can be found at: <https://www.education.gov.au/child-care-subsidy-0>

**Children with additional needs:** Children whose development or physical condition requires specialist support or children who may need additional support due to language, cultural or economic circumstances (refer to *Inclusion and Equity Policy*).

**Deferral:** When a child does not attend in the year when they are eligible for a funded kindergarten place, or is officially withdrawn from a service prior to the April data collection. DET considers that this child has not accessed a year of funded kindergarten and is therefore eligible for DET funding in the following year.

**Eligible child:** A child attending an early childhood education and care service as described in the *Immunisation enrolment toolkit for early childhood education and care services* or a child in a kindergarten program who meets the requirements of both *The Kindergarten Guide* and the *Immunisation enrolment toolkit for early childhood education and care services*.

**Enrolment application fee:** A payment to cover administrative costs associated with the processing of a child's enrolment application for a place in a program at the service.

**Enrolment application form:** A form to apply for a place at the service. (see *Attachment 3: Sample Enrolment Application Form*)

**Enrolment form:** A form that collects contact details, and personal and medical information from parents/guardians about their child. The information on this form is placed on the child's enrolment record (see below) and is kept confidential by the service.

**Enrolment record:** The collection of documents which contains information on each child as required under the National Regulations (Regulations 160, 161, 162) including the enrolment form; details of any court orders; and immunisation documentation as specified in the *Immunisation Enrolment Toolkit for early childhood education and care services*. Enrolment records are stored securely in the service due to their confidential nature.

**Fee:** A charge for a place within a program at the service.

**Free Kindergarten 2021:** Kindergarten programs for four-year-old and eligible three-year-old children in Victorian Government funded services will be free in 2021 as part of a \$169.6 million investment in early childhood education in the 2020/21 Victorian State Budget. Free Kinder forms part of the economic recovery support for Victorians as we recover from the global coronavirus (COVID-19) pandemic. The initiative is for 2021 only.

**Grace period:** allows specific categories of children of families experiencing vulnerability and disadvantage to enrol and attend the service without an AIR Immunisation History Statement (refer to *Definitions*) or when the statement is assessed as not being up-to-date. Services complete the grace period eligibility form with families during enrolment, and keep a copy with the child's enrolment record. The 16-week grace period starts on the first day of the child's attendance at the service. During the grace period, the service is required to take reasonable steps to obtain the AIR Immunisation History Statement (refer to *Definitions*) and to encourage families to access immunisation services.

**Priority of access:** in instances where more eligible children apply for a place at a service than there are places available, the service must allocate spaces using the criteria outlined in *The Kindergarten Guide* (refer to *Sources*), or if in receipt of the CCS, comply with the Commonwealth Government's policy for allocating places.

**Vulnerable Children/Families:** Children are vulnerable if the capacity of parents and family to effectively care, protect and provide for their long-term development and wellbeing is limited. Some factors which may contribute to a child being vulnerable include: a child with a disability; living in a family with a low income, or one which is experiencing problems with housing, domestic violence, known to Child Protection, Out of Home Care, substance abuse, or mental health; Aboriginal and/or Torres Strait Islander, having a culturally and linguistically diverse background; having a young or sole parent, or a parent with a disability (adapted from the *Kindergarten Funding Guide*)

## Eligibility and priority of access criteria

### 1. Eligibility and priority of access criteria for the funded kindergarten program

The following children are eligible for attendance in the funded kindergarten program:

- children who have been granted approval to receive funding for a second year of kindergarten in accordance with *The Kindergarten Guide* available at: [www.education.vic.gov.au/childhood/providers/funding/Pages/kinderfundingcriteria.aspx](http://www.education.vic.gov.au/childhood/providers/funding/Pages/kinderfundingcriteria.aspx)
- children who were eligible to attend in the previous year, but:
  - deferred
  - withdrew from the service prior to the April data collection
- children who turn four years of age by 30 April in the year they will attend kindergarten
- children turning six years of age at kindergarten who have been granted an exemption from school-entry age requirements by the regional office of DET (refer to *The Kindergarten Guide*, available at: <http://www.education.vic.gov.au/childhood/providers/funding/Pages/default.aspx>)
- children who are younger than the eligible age, but whose parents/guardians have submitted an early age entry request for their child to attend school the following year. This written request is to be directed to the regional office of DET, or the non-government school the child will be attending. A copy of the approval must be attached to the kindergarten application. Parents/guardians should note that very few requests are approved by DET. If the child attends kindergarten early, but does not proceed to school in the following year, they will be unable to access a second year of kindergarten unless they are deemed eligible by DET for having recognised developmental needs
- three-year-old Aboriginal and Torres Strait Islander children, and children known to Child Protection may be eligible for the Early Start Kindergarten program. This scheme provides funding to enable children to attend a kindergarten program that is planned and delivered by an early childhood teacher for a specific number of hours. Details are available at: [www.education.vic.gov.au/about/programs/learningdev/pages/earllystartkinder.aspx](http://www.education.vic.gov.au/about/programs/learningdev/pages/earllystartkinder.aspx)

When demand exceeds availability, the Approved Provider will refer to the service's values, philosophy and *Inclusion and Equity Policy* to determine the priority of access. This will include:

- children who have received funding for a second year of kindergarten
- children who were eligible to attend in the previous year but deferred or withdrew from the service prior to the April data collection.
- priority of access criteria as outlined in *The Kindergarten Guide* available at: [www.education.vic.gov.au/childhood/providers/funding/Pages/kinderfundingcriteria.aspx](http://www.education.vic.gov.au/childhood/providers/funding/Pages/kinderfundingcriteria.aspx)

Other considerations may include date of application, siblings already enrolled at the service, attendance in the three-year-old program and local community zoning.

If participating in a central enrolment scheme, the priority of access for that scheme will be implemented. Childcare services providing approved care (refer to *Definitions*) must abide by the *Family Assistance Legislation Amendment (Child Care Rebate) Act 2011* (refer to *Legislation and standards*) and the Commonwealth Government's *Priority for allocating places in child care services* (refer to *Sources*).

### 2. Eligibility and access criteria for the three-year-old kindergarten program

Children are eligible for attendance in the three-year-old kindergarten program provided they have turned three prior to commencement.

Children will only be able to attend a second year of three-year-old kindergarten in exceptional circumstances (after consideration by the Approved Provider) or when all eligible children on the waiting list have been offered a place.

The Approved Provider must determine eligibility and access criteria applicable to the service. Considerations may include:

- children recommended by an educator for an additional year in the three-year-old program
- date of application – for example, families can enrol for the program when their child has turned two
- siblings attending the service
- places allocated by the service for transient families e.g. RAAF, seasonal workers and tourism workers
- local community zoning.

### **3. Indra Preschool Group Allocation Procedure**

Where the service provides more than one funded kindergarten program or three-year-old program, places within the programs will be allocated based on the following (in order of priority).

1. Children currently enrolled in funded 4 year old kindergarten program who are repeating.
2. Children currently enrolled in 3 year old kindergarten program.
3. Needs of the children.
4. Historical family enrolment or current parental involvement with kinder Committee
5. Group allocation needs.
6. Parental needs.

Where the number of spaces remaining in a group is less than the number of children requesting allocation in to that group, and the above allocation priorities are unable to determine which child(ren) should be allocated to that group, a ballot will be undertaken to determine the reclaiming allocations (the child(ren)'s name(s) drawn from the ballot first will be allocated to the group until no places remain).

## ATTACHMENT 2

### General enrolment procedures

#### 1. Application for a place

- The Whitehorse Preschool Association (WPSA) maintains a central online application scheme for 3 and 4 years old preschools in the City of Whitehorse. [wpsa.com.au](http://wpsa.com.au)
- Enrolment applications will be accepted any time after the child has turned TWO years of age.
- Applications close on June 30 each year and anything received after this date is placed on a late waitlist during the offer period.
- Positions are allocated in the year before your child is due to attend preschool. You will be contacted by the preschool sometime between late July and September of that year regarding your child position.
- A separate application form must be completed for each child.
- To facilitate the inclusion of all children into the program, the enrolment application form should clearly identify any additional or specific needs of the child (refer to *Inclusion and Equity Policy*).
- Parents/guardians of children applying for a second year of funded kindergarten or currently attending a three-year-old program must also submit an enrolment application form for the following year.
- A copy of the child's birth certificate, proof of up to date immunisation and proof of address must be submitted with all applications.
- A non-refundable application fee is required with the application. This fee is to cover administrative costs associated with the processing of a child's enrolment application.
- It is the responsibility of the person lodging the application to ensure all documents are correct and included. Incorrect or incomplete applications cannot be accepted and finalised.
- Access to completed enrolment application forms will be restricted to the person responsible for the enrolment process, the Approved Provider, Nominated Supervisor and educators at the service, unless otherwise specified by the Approved Provider.
- Applications will be entered on the waiting list using the eligibility and priority of access criteria.
- Applications received after the above dates set Whitehorse Preschool Association will be considered if there are available places, and after all other applicants have been offered a place, in line with the eligibility and priority of access criteria of Indra Pre-school.

#### 2. Offer of places

- Tentative places will be offered in writing to applicants in accordance with the eligibility and priority of access criteria of the service making clear that confirmation of places is not final until immunisation documentation has been received, assessed and found acceptable.
- Indra Pre-school requires parents/guardians who have been offered a tentative place to provide acceptable immunisation documentation for assessment two months prior to the child first attending the service in order that a confirmed place can be offered.
- The documentation is assessed as outlined in the *Immunisation enrolment toolkit for early childhood education and care services* by the person responsible for the enrolment process on behalf of the Approved Provider. The Key Dates work form in the *Immunisation enrolment toolkit for early childhood education and care services* is used to determine the date at which immunisations must be up to date. The toolkit also provides guidance on assessing immunisation documentation to determine if a child is up to date or qualifies for an exemption. The following documents and resources can be accessed from <https://www2.health.vic.gov.au>:
  - The *Immunisation enrolment toolkit for early childhood education and care services* (search 'Immunisation enrolment toolkit')

- The Key Dates work form (search 'Key Dates work form')
- Hard copies of the immunisation resources (search 'immunisation resources order form')
- The acceptable outcomes of the assessment for offering a confirmed place are:
  - That the next due vaccine for the child on the ACIR Immunisation History Statement or the Immunisation Status certificate is within the acceptable timeframe for an enrolment, or;
  - That the child is on a recognised catch-up schedule if they have fallen behind with their vaccinations, or;
  - That the child has a medical reason not to be vaccinated, or,
  - That the child has been assessed by Indra Pre-school as being eligible for a 16 week grace period
- The person responsible for the enrolment process advises the parent/guardian in writing whether a confirmed place is offered and the enrolment can proceed.
- Parents/guardians who do not have acceptable immunisation documentation cannot be offered a place and are referred to Australian Childhood Immunisation Register or to an immunisation provider (refer to Appendix 4 – Letter for parents/guardians who do not have acceptable immunisation documentation).
- Offer of places in the three-year-old program and the four-year-old program will be made in accordance with the Whitehorse Preschool Association timeline.
- Parents/guardians who do not wish to accept the offer of a tentative or confirmed place, or intend to withdraw their enrolment, are requested to notify the Approved Provider, or the person responsible for managing the enrolment process at the service, in writing as soon as possible.
- A fee amount must be paid in accordance with the Indra Pre-school's Fees Policy by the stated date to hold the place for the following year. This fee will be deducted from term fees.
- An enrolment form and other relevant information will be provided by Indra Pre-school to the parent/guardian after a confirmed place has been accepted and the fee has been paid.

Note: Places will not be allocated to children until any outstanding fees owed to the service by the family is paid, or a payment plan is agreed to between the family and the service (refer to *Fees Policy*).

### Letter for parents/guardians without acceptable immunisation documentation

Indra Pre-school

Blackburn South, VIC 3130

[Insert date]

Dear [insert name]

Re: Enrolment at Indra Pre-school for [insert year]

I am contacting you regarding your tentative place for [insert child's name] at [Service Name] in the [insert 3 year old or 4 year old program] in [insert year].

Under the *Public Health and Wellbeing Act 2008* early childhood education and care services cannot enrol a child unless the parent/guardian has provided acceptable immunisation documentation.

Acceptable immunisation documentation includes evidence that your child:

- is fully vaccinated for their age
- is on a recognised catch-up schedule
- has a medical reason not to be vaccinated
- has been assessed by our service as being eligible for a 16 week grace period.

As we have not received acceptable immunisation documentation for [insert name of child] by the due date, we are unable to confirm a place at our service for [insert year] and your child's name has been removed from our list.

Immunisation programs are effective in reducing the risk of vaccine preventable diseases. Immunisation from an early age helps protect your child against serious childhood infections. Further information about immunisations for your child is available from:

- your doctor
- [insert details of local government immunisation service]
- National Immunisation Information Line Tel. 1800 671 811
- Australian Childhood Immunisation Register Tel 1800 653 809
- Better Health Channel website: <https://www.betterhealth.vic.gov.au/no-jab-no-play>

Should you wish to re-apply for a place for [insert child's name], we are happy to accept a new enrolment application accompanied by acceptable immunisation documentation. The new application would be considered in line with [Service Name]'s Enrolment and Orientation policy.

Yours sincerely
